### [Aims](#)

#### **Stage 1**

- Click on the **Stage 1** link. Play the video as inspiration for the next stage of the lesson.
- Play the video again with subtitles and ask students to make a note of vocabulary that might be useful to describe an alien.

#### **Stage 2**

- Click on the **Stage 2** link. Go through the vocabulary with students.
- Tell students to draw an alien on one sheet of paper and then hide it.
- Students describe their alien on another sheet of paper.
- Mix up the descriptions. Hand them out to other students and draw the alien from the description.
- Students compare the original and the second picture.

#### **HOMEWORK**

- Students interview their host families: *Do you believe aliens have visited the Earth?*
