

INFINITY WEEK TUESDAY lesson 1

C1 Are we alone in the Universe?

Instruction: Follow these general guidelines. Use the links provided on the syllabus website. Underlined items are links to ADDITIONAL support.

[Aims](#)

Warm-up

- Click on the **Warm-up** link. Play the video and ask students to make a note of things that they find surprising/interesting.
- Students report back to the whole group.
- Whole group discussion: Where does the Universe begin and end?

Main activities

- Click on the **ARTICLE** link. Show students the title and picture. Ask students if they know Brian Cox? Brief discussion about the possible existence of other universes.
- Ask students to find the article on their tablets. Students read the article and use a dictionary app to look up new vocabulary. They read the article to find arguments for the existence of many universes.
- In pairs, students prepare to explain one argument for the existence of multiverse.
- In groups of three, students exchange ideas about their life in a parallel universe.
