Aims

Stage 1

- Click on the **Stage 1** link. Scroll down to display at least five quotes. Ask individual students to read one quote. Explain the message behind the quote. Put key words on the board. Scroll up or down to hide the quote and ask students to try and recreate the quote by looking at the key words only. Repeat the procedure for a few more quotes.
- Ask students to pick a quote they like and justify their choice by giving examples from their personal experience.

Stage 2

- Click on the **Stage 2** link. Demonstrate how the website works (drag words to the blue lines. To get a different set of words, click swap).
- Ask students to compose their own quote about family life. Students swap tablets to read one another's quotes. They need to memorise at least one of them.
- Students say their friends' quotes in front of the whole group.
