Warm-up

- Click on the **Warm-up** link. Play the video with SOUND OFF. Students discuss what they see in the video in pairs and try to predict what it is about.
- Students report back to the whole group.
- Students watch the video and check their predictions.
- Whole group discussion: What is the meaning of life?

Main activities

- Click on the **VIDEO** link. Play the video and pause after each main idea and discuss with the whole group.
- Play the video again and ask students to pick one idea that appeals to them most.
- Students mingle and try to persuade one another that their idea is the best explanation of the meaning of life. Encourage students to illustrate their idea with examples from their life.
