Main activities

[General guidelines for teaching vocabulary](#)

- Click on the **ARTICLE** link. Discuss the title of the article with the whole group.
- In pairs, students find the article on their tablets and read only the advice part of the article i.e. How can teens learn to have healthy friendships? Tell students to pick two useful pieces of advice. Encourage students to ask you questions about new vocabulary.
- Students report back justifying their choices.
- Role play: in groups of three, two students give advice to a teen who has no friends.
