

INFINITY WEEK THURSDAY lesson 3

A2 Wonders of life

Instruction: Follow these general guidelines. Use the links provided on the syllabus website. Underlined items are links to ADDITIONAL support.

[Aims](#)

Stage 1

- Ask students to give you examples of living and non-living things
- Click on the **Stage 1** link. Play the video and ask students to add more living and non-living things to their lists.
- Play the video again with subtitles and ask students to write down the difference between things that are alive and not alive. Help with vocabulary if necessary.
- Ask students to look at the picture on the website. Can they explain why some things are alive or not?

Eg. A rubbish bin is not alive because **it doesn't breathe**

Stage 2

- Click on the **Stage 2** link. Display the website on the board. Students come up to the board and fill in the missing words or match the words with the correct pictures. In order to make students speak more, you can ask them to justify their answers (if possible).

HOMework

- Students walk around their host families house and identify living and non-living things and take pictures.
