

HEART WEEK THURSDAY lesson 1

B1 The future of family life

[Aims](#)

Stage 1

Click on the **Stage 1** link and play the lesson video. Pause every time there is an example and ask students to modify the statements to talk about their family.

Stage 2

- Click on the **Stage 2** link. Tell students to imagine that they are one of the people in the picture.
- Students draw a family tree for their imagined family.
- In pairs, student A talks about the family without saying who he/she is. Student B tries to guess who Student A is.
- Students swap roles.
- Whole group discussion: Differences between host family and your own family?
- Optional: if students have pictures of their family members, they may show them to their classmates and talk about them.
