

INFINITY WEEK THURSDAY lesson 3

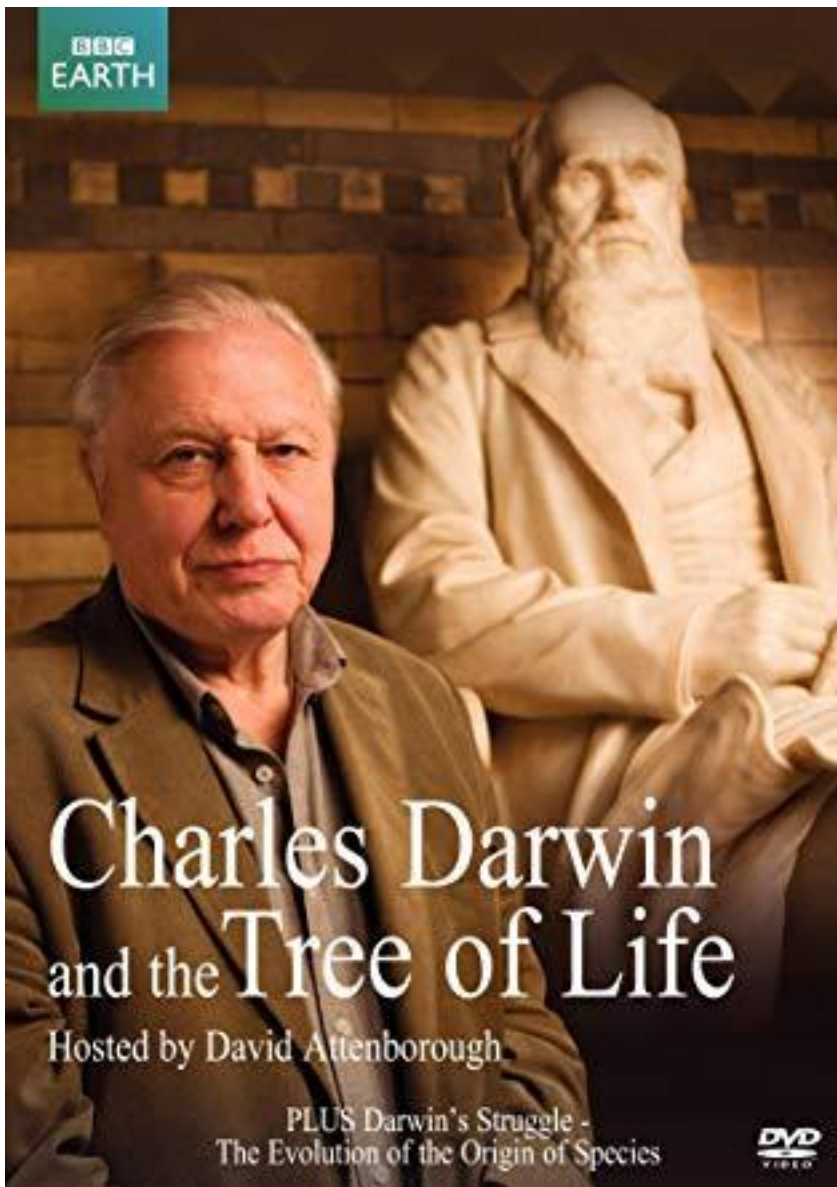

B2 Wonders of life

Instruction: Follow these general guidelines. Use the links provided on the syllabus website. Underlined items are links to ADDITIONAL support.

Aims

Stage 1

- Tell students they are going to watch a video with David Attenborough. Ask them if they know him and if they've watched any videos with him.
- You can also show them the picture below to spark a discussion about the two men and the title of the video they are going to watch.

INFINITY WEEK THURSDAY lesson 3

- Click on the **Stage 1** link. Play the video and ask students to make notes about the theory of the tree of life.
- Students report back to the whole group what they've found out.
- Talk about David Attenborough's dramatic skills.

Stage 2

- Click on the **Stage 2** link. Tell students they are going to watch a video about showing emotions. Ask them to write down the emotions they might need while giving a presentation.
- Ask students to prepare a short commentary about the origins of life based on the notes from the previous video.
- Students deliver their commentaries incorporating at least three different emotions.

HOMEWORK

- Ask host families about science celebrities in the UK.
