Main activities

- Click on the **TEXT** link. Show students what they would need to do to apply for an audition.
- Students get into groups of three or four and nominate the most talented student (in that group) to take part in *Britain's Got Talent*.
- Tell students they need to write a 100-word summary of the nominated student's audition performance. Monitor students' work and correct errors.
- Students read their summaries to the whole group. Students assign points and decide whose performance would be the best.
- The winner is asked to come to the front of the class and is interviewed (as a celebrity) by his/her classmates.
