Warm-up

- Click on the **Warm-up** link. Play the video to introduce the concept of augmented reality. Play the video again and ask students to describe what they see. Pause the video several times. Put key words on the board and dictate simple sentences.
- Play the video again with sound off. Students read their sentences to describe what is happening in the video.

Main activities

- Click on the link. Scroll down to display at least 6 pictures. Describe one of them and ask students to guess which one it is.
- Repeat the procedure several times to introduce new vocabulary connected with futuristic entertainment.
- In groups of 3, students do the same activity.
- Survey: What are your favourite video games? How often do you play? What is the game about?
